C 400 X Accessory Overview

Overview: With the C 400 X, BMW Motorrad offers a new vehicle for the Urban Mobility segment. From individual luggage solutions to suitable ergonomic components, there is an extensive, customized range of accessories available.

- The two topcase variants (optionally with inner pockets) offer a lot of space for additional storage.
- The scooter canopy protects the rider against the outside elements such as rain and cold weather.
- The high windshield gives the Maxi-Scooter a very personal touch as well as additional protection from wind and weather.
- The three-stage adjustable heated grips ensure warm hands on cold days.
- The front trim panel protection bars protect the painted trim panel components from damage in the instance of a tip over.
- The LED auxiliary headlights ensure a good view in poor visibility conditions.
- This offering of optional accessories is rounded off by a few familiar products that fit the entire model range, including an alarm system, small and large first-aid kits, BMW Motorrad battery charger, and motorcycle cleaner.
