G 310 R (K03) and G 310 GS (K02) Accessory Overview

Overview: BMW Motorrad offers functional original accessory products which are compatible with both the G 310 R and G 310 GS and can be used to subsequently equip the vehicle according to the customer's own requirements. The entire range of accessories can be found below for these two models which range from Top Cases to Navigator Systems. Overall, the following accessory products are available:

- The Light topcase or the premium 30 l topcase, optionally with inner pocket, and the tank bag offer sufficient storage space for everyday use and short trips.
- As an alternative, the low seat bench, with a seat height that is reduced by a 1/2 inch, makes getting on and handling the motorcycle easier.
- The heated handlebar grips keep the driver's hands warm, even when the temperature is cool.
- The BMW Motorrad Navigator will always help you find your way.
- The additional power socket (12 V) above the left footrest allows electrical devices to be connected to the vehicle electrical system.
- Other accessories, such as the All Weather covers, Fit-for-All Communications system, foldable backpack, USB chargers and a wide variety of care products that are not specific to individual motorcycle models complete the range.
